The Council is made up of ten elected members*, the choice of whom is made by registered electors from the parish on a four-year cycle coinciding with elections to the North Somerset District Council. Hutton Parish Councillors work as a team, members of which disregard influence from or allegiance to political parties, which we believe have no part to play in parish affairs.

Letter from the Editor

The July edition of this newsletter is an exciting one to put together. A combination of updates on all the early summer events that have happened this year, including the VE Day celebrations and the sold-out Murder Mystery event, plus a look forward to the famous Hutton Festival Week.

To have so many events on in the Festival Week is a real credit to the parish council, the individual event organisers and the many volunteers who make it happen. Of course it would never be a success if people did not attend and the future of such events does depend upon this. So whether it is entering your onions to the show, a nostalgic walk around the vintage cars, a boogie at the Big Bash, singing along to a church service or a last night at the proms, testing the grey cells at a quiz and of course taking home a Taste of Somerset. There really is something for everyone and I look forward to meeting you there.

On the front page and throughout this edition I am celebrating a few of the many people who go out of the way to make the parish of Hutton such a great community to be part of. Read on for what they have been up to this month. If you know someone who deserves a mention, please do send in an article and share their activities plus a photo in and I'll feature them in future editions.

Email any articles you would like published to:

Tony

Two New Parish Councillors

Following expressions of interest and applications, the Parish Council are extremely pleased to announce that at the April and May Parish Council Meetings, the following two parishioners have been co-opted onto the Parish Council as Parish Councillors and have made the Statutory Declaration of Office.

- **Cllr Jane Hicks**
- **Cllr Nen Max**

The Parish Council would like to warmly welcome and express thanks to Jane and Nen, for stepping forward to serve their local community and the Parish of Hutton as a Parish Councillor.

Parish Council Vacancy

The Parish Council still has one vacancy and can take steps to fill the vacancy by the co-option of suitable persons. If you would like to contribute to the local community and would like to help to make a difference, become part of the solution and local decision-making process that supports the Parish, then please consider stepping forward to become a Parish Councillor.

Any eligible interested persons are invited to apply for co-option to the Parish Council as a Councillor. Written applications or expressions of interest should be forwarded to the Chairman of Hutton Parish Council c/o Rooftops, 10 South Street, Burnham-on Sea, Somerset, TA8 1BS or via email to clerk@huttonsomerset.org.uk. Expressions of interest can be sent on condition that a follow-up letter or email application is sent. If no follow-up letter or email application is received following an expression of interest it will be assumed that the applicant has withdrawn their interest in the position.

If any persons are interested in serving and contributing to your community as a Parish Councillor, further information can be obtained from the Clerk to the Council - Mr Bruce Poole, whose contact details can be found on page 2 of this edition. A Co-Option Notice detailing more information on becoming a Parish Councillor, can be found later in this edition.

Hutton Hill Road Closure - Update

As you may have been aware – work has been ongoing for a while now on the long-awaited reconstruction of the retaining wall at 1 Barrow Road. Information received by the Parish Council from North Somerset Council, indicates that barring any unforeseen delays, North Somerset Council hope to reopen the road to traffic by 25th July.

Parish Council News

Moor Lane - Cycle/Footpath Link to Haywood Village - Update

With the opening of the long-awaited cycle/footpath link to Haywood Village, which is now widely and very successfully used by residents of both communities, a single bollard has now been installed on the cycle/footpath to help to help to prevent vehicle access.

With Parish Council concerns about vehicles, motorcycles and quad bikes access, a meeting was held on site in April with North Somerset Council and the developer of Haywood Village.

Further concrete blocks were then put in place and it was agreed at the meeting that further improvements would be designed and installed by North Somerset Council on the cycle/footpath and on Moor Lane itself to help to prevent vehicle access, whilst maintaining access for landowners, pedestrians, cyclists and authorised vehicles. This will help to protect the vital North Somerset Council flood risk infrastructure. The Parish Council is now awaiting this work by North Somerset Council to take place.

Annual Parish Meeting

The Annual Parish Meeting took place on Wednesday 9th April in the Village Hall. This meeting is organised by the Parish Council to enable the parishioners and electors of the Parish of Hutton to get together to receive reports from various Parish organisations and stakeholders and as an open forum for questions, comments, news and views.

I would like to say thank you to all the meeting attendees and participating organisations for their contributions and reports and for what they have all achieved in supporting the Parish of Hutton during the last 12 months. The Minutes of the Annual Parish Meeting will be produced and will be available in due course on the Parish Council web site.

Annual Parish Council Meeting

The Annual Parish Council Meeting took place on Monday Wednesday 12th May in the Village Hall. It is during this annual meeting that the appointment of the Parish Council Chair, Vice Chair, Parish Council Working Groups and outside body representatives takes place. This meeting resulted in Cllr Peter Dutton being nominated and accepting the position of Chair and Cllr Marie Dunkley being nominated and accepting the position of Vice Chair. The Minutes of the Annual Parish Council Meeting will be produced and will be available in due course, on the Parish Council web site.

Dog Related - North Somerset Council – Area Specific Public Space Protection Orders (PSPOs) for the Parish of Hutton - Jubilee Sports Field, St Mary's Field, Des Phippen Park and Springwood Recreation Ground

It has been brought to the attention of the Parish Council that North Somerset Council has received a complaint that owners with dogs have been seen in areas of Hutton which have a Public Space Protection Order (PSPO) restriction against them stating No Dogs – except Assistance Dogs.

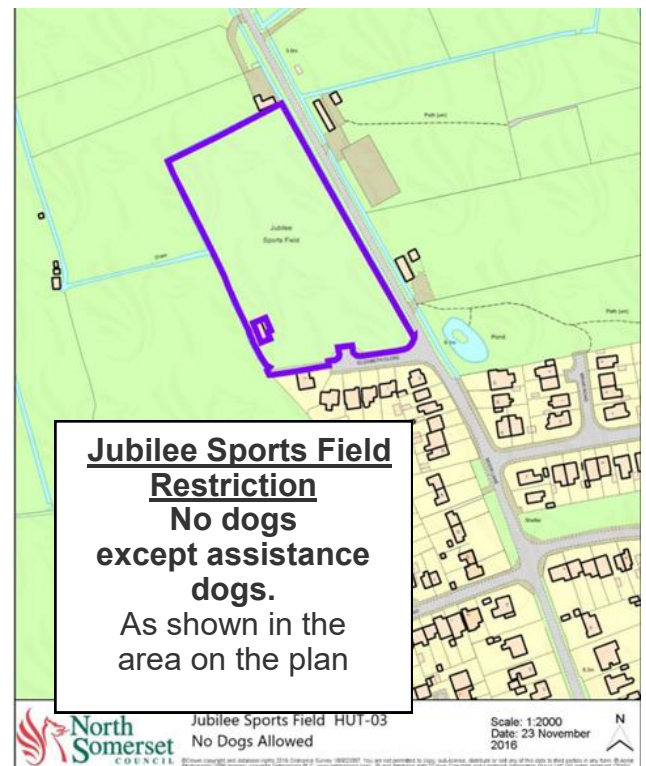

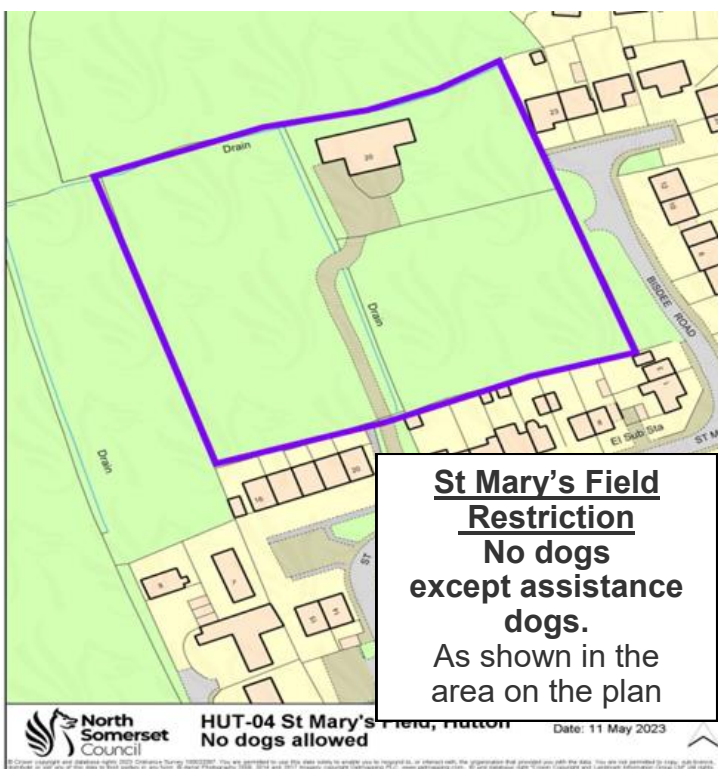

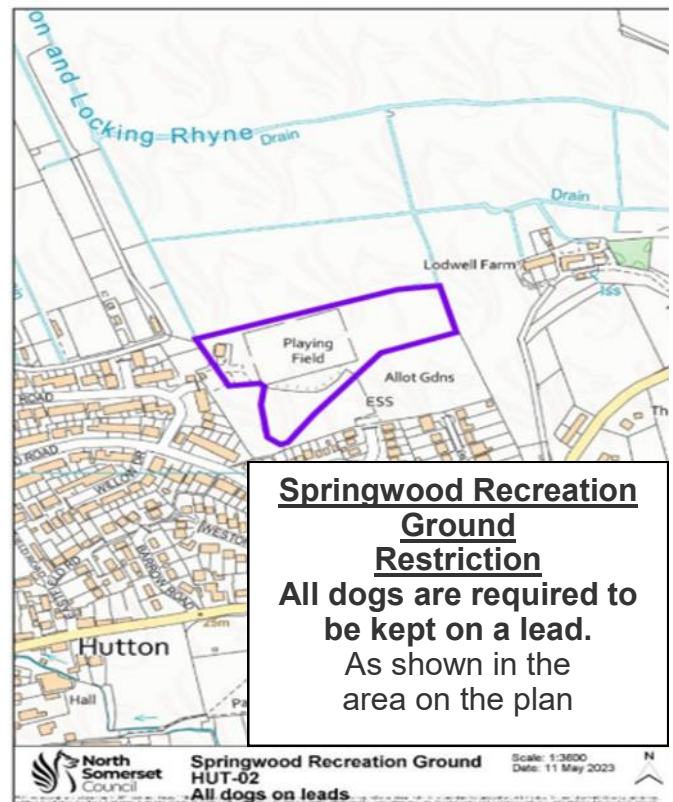

North Somerset Council Enforcement Officers have patrolled the PSPO areas in the past, which has resulted in at least one parishioner being fined. Therefore, it is in everyone's interest to comply with the PSPOs. North Somerset Council PSPOs are in place to deal with a particular nuisance or problem in a specific area that is detrimental to the local community's quality of life. They work by imposing conditions on the use of that area which apply to everyone. They are in place to make sure that everyone can use and enjoy public spaces, safe from anti-social behaviour.

A PSPO can set out blanket restrictions and/or requirements or can be targeted against certain behaviours by certain groups at certain times.

The Dog Related - Area Specific PSPOs for the Parish of Hutton can be found on the North Somerset Council Web Site: <https://n-somerset.gov.uk/my-services/community-safety-crime/public-space-protection-orders/area-specific-orders>

Parish Council News

The PSPO restrictions for Jubilee Sports Field, St Mary's Field, Des Phippen Park and Springwood Recreation Ground are detailed below.

All the above PSPOs also state the following- If a Police Constable or North Somerset Council Authorised Person reasonably believes that a person has acted contrary to the restrictions placed upon them by the order, they must provide their name and address when required to do so.

Bloomers have had problems since losing the van they used for watering & moving heavy stuff.

Terry thought how he could help & put a trailer & collection bag on his bike.

They now have two volunteers helping with a van and trailer & now Bloomers own Trailer Bikeman Terry!

Beverley—champion of recycling!

I am pleased to announce that Wednesday 28th May, was the last soft plastics collection at Mustard Seed Fairtrade coffee mornings in Hutton Village Hall 10:00-12:00.

Celebrating
Heroes of Hutton

The collections started every Wednesday from March 2024 and have continued for 14 months. With an average weekly collection of one very full black bin bag, nearly 60 black bin bags have been collected and dropped off at big Tesco's in their soft plastics collection cage.

If approximately 35 people a week can collect that much soft plastic and save it from going to landfill, then think what all the residents of Hutton and all of North Somerset can save, now kerbside collections have begun.

I would like to thank each and every one of you who made the effort to bring your washed, soft plastics to the village hall 🙌 🙌 🙌

Thank you to the residents of Hutton!

Music Nights celebrate VE Day

The Music Night in May was a really enjoyable evening, with local and visiting participants putting aside their nerves, and throwing caution to the wind to entertain us.

The evening entertainment included solo singing, supported by a very talented pianist, singer's accompanying themselves on guitars, and acts supported by our regular, excellent band of musicians. The later part of the evening was dedicated to VE Day 1945, remembering those who bravely gave their lives to ensure we enjoy the freedom we have today.

The evening celebrated the end of hostilities in Europe and attempted to recapture the spirit felt throughout the country after 6 long years of war.

It was an evening of variety, in addition to a singalong of wartime songs, the grandson of one of our parishioners gave an excellent recital of 'The Last Post'.

John Chatburn played his harmonica and brought along his wind-up gramophone to let us hear how the music of 1945 really sounded. John danced to his Glen Miller 45 rpm record, however, as in the day, had to pause part-way through to wind it up.

If you haven't been to one of the Music-Nights, why not come along and join in or just sit back and enjoy the evening. £5 entrance fee, a well stocked bar at very reasonable prices, entertainment and a chance to see old friends or make new ones.

Music-Night is the first Saturday of each month, 7.30 pm to 10.30pm. Why not come along?

Hutton Horticultural Society

HUTTON ANNUAL SHOW

The Hutton show was first held about 60 years ago, firstly in the school field, then in a field in Church lane and now in St Marys. If you have come to the show and gone home saying to your self, I could have made that or I have a better vegetable in the garden then why not enter these classes.

Imagine walking into the marquee and seeing a prize card on your exhibit. So exciting.

The judges are well qualified and enjoy coming to our show. They do comment on the standard of the exhibits as being exceptional. So if you have a piece of wood turning, pots of jam, Photos, something knitted or embroidered please think of entering it.

There are Vegetable and Flower classes just for villagers, those for allotment holders, flower arrangements, baking, handicraft and many more.

We consider anyone living in the Parish to be a member and eligible for the villager classes..

The Children's classes are open to all, only about 4 restricted to Hutton school children. Children can spend wonderful hours making an article from recycled materials, making a cake, handwriting or an animal made from vegetables.

An ideal way to keep your children or Grandchildren occupied during the long School holidays on wet days or when they are just bored. There are a wide range of classes to suit all ages in the Schedule, including **“Young Photographer of the Year.”**

Hutton School always supports the show providing some excellent pictures and handwriting.

Parents whose names are on the trophies now take pride when their children's names are with theirs.

There is an earlier start time to the opening of the show this year, partly due to modern tech. Hopefully the computer will process the results quicker. Of course, if you come 1st 2nd or 3rd in a class, you win prize money. Not a lot, but an incentive. Because we are starting earlier there will be food vans available for snacks, ice cream and weather permitting a Bouncy castle.

Our committee is small and we only have about 4 meetings a year. If you would like to join us then speak to Sarah Cope our secretary, Margaret Monkman our treasurer or Graham Hodge our chairman. We organise the yearly Plant sale in HVH, the Proms, a couple of Quiz's as well as the Show. Man and woman power gratefully accepted.

Over many years the annual flower show has provided a wonderful afternoons social entertainment. Meeting up with friends for a drink, browsing round the exhibits, comparing what you have still growing in the garden that you should have entered but didn't. Perhaps next year. So please pick up a schedule, available from HVH or from the show secretary.

We look forward to lots of new exhibitors. There are few rules but lots of guidance can be given for novices and you will have an enjoyable show.

Schedules are free.

Entries must be in before 9pm on Wednesday 27th August. They can also be handed in at the Craft fair.

Please ask if you need any assistance with an entry.

Branch Treasurer - Poppy Appeal Organiser

Following the death of our long-standing and much respected Branch Treasurer, Norman, we are looking for someone to fill his shoes. You do not need to be a Branch member, or even a Veteran, just someone willing to give some time to help the Branch and the RBL. The Committee meets monthly on the second Tuesday evening in the month at 6pm in Hutton Village Hall. As we are a small Branch, there is not a lot of activity on our account and there are on-line training programs available from the RBL.

For further information, please contact Liz on 07508 114334, 158lizbrown@gmail.com or come along to a Committee meeting for a chat.

Another position which we are keen to fill is that of Poppy Appeal Organiser. As the job title implies, it involves ordering stock, organising the delivery and distribution of the stock, and liaising with the collectors. This job can be shared, if that is more acceptable. For further information, please contact the Somerset Poppy Appeal Manager - PBunce@britishlegion.org.uk

Hutton-Dabaso News

The clinic services are on course. Nurse Cinderellar attended a three day seminar and was able to arrange an outreach at Dabaso Clinic. This was successful and many members of the community got medical attention. This meant referrals could be sent for diagnostic investigation.

A further phase of work has been finished off this week with the arrival of the computers and installation into the classrooms.

Security work on the classrooms and cctv is part of the package that we are delivering.

It is hoped that regular Zoom meetings could soon be a feature between Hutton School and Dabaso primary using cameras linking the classes live. Internet was brought to Dabaso with a Starlink Unit and Teachers are now able to prepare and deliver lessons using up-to date videos and YouTube for Science lessons, where the equipment and chemicals for experiments were not available, but now whole classes can see this on video.

The next phase is to extend the connectivity to the Clinic, so that nurses can investigate symptoms, or even refer clients for consultations to doctors who could be remote from Dabaso.

**Our last Quiz Night saw a great
number of people testing their knowledge for the
cause.**

**A significant amount was raised, all of which will
go to enrich the lives of the people in Dabaso.**

A message from Rev Larissa Trust

I spent a recent day off watching *The Salt Path* at the cinema. To summarise the plot, it's about a wife called Ray and a husband called Moth who in the space of a week have their home repossessed and Moth receives a diagnosis of Corticobasal Degeneration (CBD). (Life expectancy with this condition is often around 6 years.)

Having lost their livelihood and with nowhere to go, they decide to walk a 630-mile line around the coast from Minehead, through Devon and Cornwall back round to Poole in Dorset.

Their decision may seem irresponsible, given that Moth is not supposed to do any heavy lifting or do anything strenuous! But as they progress, their journey becomes a pilgrimage of discovery, where they are fed and nurtured by creation and where they give proper time and space to their relationship.

As they begin their journey at Minehead, Ray says: "Shall we". Moth says "we've nothing better to do" but as their journey progresses they "let the elements touch them" and transform them.

One of the very few Greek words I learned at theological college was Kenosis meaning to empty oneself with the intention of becoming more receptive to something greater. With only walking and togetherness, the couple gain time to think and appreciate anew their love for one another. As nature tests and enriches them, they draw closer together. There is a sense of communion with each other and with creation.

Today, may God take away all that saps your energy. May you be blessed by nature, exercise and relationship that enriches your life. Amen.

St. Mary's Church, your church, will now be open every day from 10am to dusk for peace, quiet and time for reflection and prayer. Please come and enjoy the building and all it offers.

For more information about St. Mary's Church and what we can, and could, offer the community, please contact the Benefice Office on 822857 or check the noticeboards. The church is here for the community: if we can help we will.

Hutton Short Mat Bowls Club

What is Short Mat Bowls? Basically it is green bowls reduced to 45 feet by 6 feet. When in the middle of the last century there was insufficient indoor facilities for the game of bowls to be played in winter the English Short Mat Bowls Association was formed to enable bowls to be played in any hall that could accommodate a badminton court.

So some thirty years ago the Hutton SMB club was formed. We use exactly the same equipment as the outdoor game, and with some minor adjustments to reflect the hall, use the same rules.

Prior to Covid the Hutton Club had over thirty members using three mats on every Monday and Thursday evenings. At that time we were the main user of the Village Hall. Unfortunately on the return from lock down membership reduced dramatically, but we are now back to about sixteen regular players on Mondays.

Hutton Short Mat Bowls Club is both friendly and competitive! We play in the Woodspring league against local clubs from Kewstoke to Mark and in between with varying degrees of success. We have won the league and two years ago won the Avon County Cup competition.

We would love to welcome any new members of any gender. The only special equipment needed is a pair of flat shoes, bowls are available at the Hall. So if you fancy a game come along on a Monday evening about 6-15 pm and you will be very welcome, explanations and training will be given.

Hutton Drama Club

It was a packed house in the village hall for the sold-out Murder Mystery at this year's Hutton Drama Club's annual summer show.

Two entertaining plays on the same evening around a murder mystery theme, with the second play including audience interaction to identify the suspect and motive!

Thank you to everyone who came and supported the show!

Next show is Peril in Pantoland, coming in January 2026.
Anyone interested in being involved please get in touch.

Hutton Ladies

It was a lovely evening for our May meeting and our speaker 'Garden Organic' inspired us to rethink how we dispose of our organic household waste to enhance our gardens, pots or window boxes.

The Garden Organic team is a dedicated group of volunteers throughout the UK, they help raise awareness and encourage us to compost at home. I think we were surprised at the variety of household organic waste that we have been disregarding, but could be added to the compost heap, also some things we should avoid to ensure a successful outcome, resulting in a sweet smelling, all round compost.

Our speaker on 2nd June was Jan from the Freewheelers. The Freewheelers supply a completely free service that the majority of us have benefited from at some time in our lives without even realising. The Freewheelers are an Emergency Voluntary Blood Bike Service, who transport urgently required medical requirements, including blood, pathology samples, medication and breast milk, out of hours to support the NHS and local Air Ambulance.

In addition to the riders, the many roles that are provided free, include bike maintenance teams, social media team, fundraising team, co-ordinations and training teams. With a team of 18 bikes they operate 365 days a year.

We'll be back again on Wednesday 3rd September, 10am to 12 noon.

Thank you to all our lovely customers. We wish you all a joyful Summer.

Gill, Eric, Jenny & the Team

Hutton CE Primary School

Easter Play – Last term our Y5 class performed their Easter play 'Amazing Love', they performed and sang beautifully; we are so proud of them! A BIG thank you to Mr Holdaway for spending time rehearsing with the children and making sure they had all their lines!

St Georges Day – We had a great turn out of children wearing their scout group uniforms to celebrate St George's Day.

We are also very proud of Noah in Y6 who was the flag bearer for his scout group on Sunday at St Mary's church service.

**Celebrating
Heroes of Hutton**

New vegetable beds– we are very excited about our new vegetable beds that were installed last term, a BIG thank you to Dale Smart for building and installing them.

We can't wait to show you what we grow in them!

Year 3 Trip – Well done to all the children for finding so many flora and fauna on their walk. They saw cows, goats and donkeys along with lots of buttercups, daisies and hawthorn blossom. They also saw willow trees and beach trees. It was a lovely afternoon for a walk and afterwards they drew some excellent sketch maps of the walk and added a key for the bushes, trees and pathway. Excellent geography learning! Well done Year 3! Also, special thank you to our parent helper for coming along to support.

Sports day – A BIG well done to all the children who took part in Sports day, they all worked really hard. Thank you to everyone who came along to watch. Luo were the overall winners this year, well done Luo!

Eurovision – We had a very fun Eurovision day learning all our songs for our countries, well done to all the children who dressed up and even bought in extra props!

SS Great Britain Trip Y2 – Y2 had a brilliant time at The SS Great Britain. They learned lots about the ship and impressed the museum staff with their knowledge about Brunel and our good manners.

New Sand pit – A BIG thank you to Dale Smart who very kindly built Reception a large outdoor sand pit for the children to sit in, and alongside Mrs Drinkwater came in across two weekends to have it delivered and arrange for it to be filled. Piper's dad, Harrison, has very generously agreed to cover the costs of filling the sandpit for the children. That means we have been able to enjoy using the sandpit in this glorious weather, Thank you very much!
