Hutton in Bloom (Bloomers) Need Your Help

The Parish Council have been informed that **Hutton in Bloom (Bloomers)_will stop in May next year unless they get more help!**

No plants will be ordered for next year.

No planting.

No watering.

No tidying of display areas.

Empty display areas.

No flowers.

If this happens it will make the Parish of Hutton a less attractive place to visit.

If you can volunteer to help in any way – please contact the Hutton in Bloom (Bloomers) Team as soon as possible – they need help and if they do not get it – the flower displays will stop!

Parish Council Vacancy – Co-Option to the Parish Council

Applications have been received and the Parish Council are now taking steps to fill the vacancy by the co-option of a suitable person.

Budget Planning for the Next Financial Year

Budget planning is currently underway to forecast the budget for the next financial year and set the precept requirement for Financial Year 2024/25 for passing to North Somerset Council.

Additional Money Raised for the Village Hall

Further to my September report, it has recently been brought to my attention that approx. **£330** was also raised for Hutton Village Hall at the **Hutton Parish Festival Week - Taste of Somerset Market** event by the **volunteers** in the small kitchen space in the main marquee, serving teas, coffee and cake. The efforts of everyone involved in the Hutton Parish Festival Week and **all the volunteers** are very much appreciated. This year's nominated charity for the Taste of Somerset Market event was Hutton Village Hall.

Parish Council Handyperson Steps Down

David Hart has recently stepped down as one of our Parish Council Handypersons. **I would like to express the Parish Council's grateful thanks to David** for his hard work and dedication in keeping the Parish amenities functioning, safe and attractive. David was one of two tradesmen involved in the manufacture and installation of the New St Mary's Church entrance gates to commemorate the Platinum Jubilee of Her Majesty Queen Elizabeth II in 2022.

Final Thoughts

The Hutton in Bloom (Bloomers) Team needs your help, or they will stop and there will be no flowers! Please contact them if you can help.

Finally, I would like to take this opportunity to give everyone my best wishes and hopes for the forthcoming festive season and the new year.

Please stay safe.

Peter Dutton, Chair, Hutton Parish Council

HUTTON BLOOMERS NEEDS HELP

!!NOW!!

We have sadly, after a meeting with the Parish Council, had to inform them

HUTTON BLOOMERS HAS HAD TO STOP WORK IMMEDIATELY

This is due to fewer numbers, health issues & not enough of us to water village

At the meeting with the Parish Council, we advised them that we do not recommend buying any summer plants for next year as we do not have the people to drive the truck and water them.

We did ask the Parish Council if they could help or if they had any ideas that could help us. Parish Council advised we ask if any of you living in Hutton, Elborough & Woodside are able to help by watering plant containers outside your homes, please? We will need more help than this to do all the village. This needs doing every other day.

* Help * is needed to keep our Parish of Elborough, Hutton & Woodside looking beautiful with flowers & tidy shrub & flower beds. Without help, Bloomers will not be able to resume next spring for summer planting.

We will still put up a Christmas tree this year as planned.

But we cannot carry on as we are & have to think of the health & safety of the group.

Acoustic Music Night

Please see our Flyer and support the Village Hall by coming along to our next Acoustic Music event on 2nd December 7.30pm - 11.30pm. This has successfully been running for a few months now, with further dates below for your calendars. Many of you were at the Gig Night held earlier in November which was a roaring success, featuring the classic rock band Drifftwood and our resident band The Misfits, both playing to support our 'Save our Village Hall Fund', bar available and no pressure to sing, just to have a great night out.

Why not come along and join us again and bring your friends with you!

Volunteers wanted

The new Aviation Exhibition needs a number of volunteers to welcome visitors and act as wardens, giving at least three hours a week Weds- Sundays. An interest or knowledge of RAF Locking , Westlands, Bristol Aerojet or Western Airways history

would be useful but not essential.

Please contact Lee Mills on 01934 635227 during the days of opening or call in to the museum for more information on how you can help.

After several years of planning and a £134,000 grant from the Coastal Communities Fund, a team of volunteers at The Helicopter Museum has restored the original 1930s Weston Airfield Control Tower complex adjacent to the museum and fitted it out with artefacts and displays covering the history of aviation in the area. The new exhibition will officially open in March.

“The Weston-super-Mare area has a rich vein of aviation history,” says Museum Manager Lee Mills “with early flights from the beach before the First World War, airline operations from the new airport from the mid 1930s and Bristol Aeroplane Co. shadow factories and RAF Locking being established in the early days of the Second World War.”

The control tower is especially notable as having originally been a cab shelter on Weston seafront, relocated to the airfield when the Borough Council agreed to establish an airport on the outskirts of the town in 1935.

Post war saw a continuation of aircraft manufacturing, culminating in the establishment of helicopter design and production, as well as private and commercial light aeroplane operations until it all ended in 2002. Today the Helicopter Museum is the only operator still flying from the old airport.

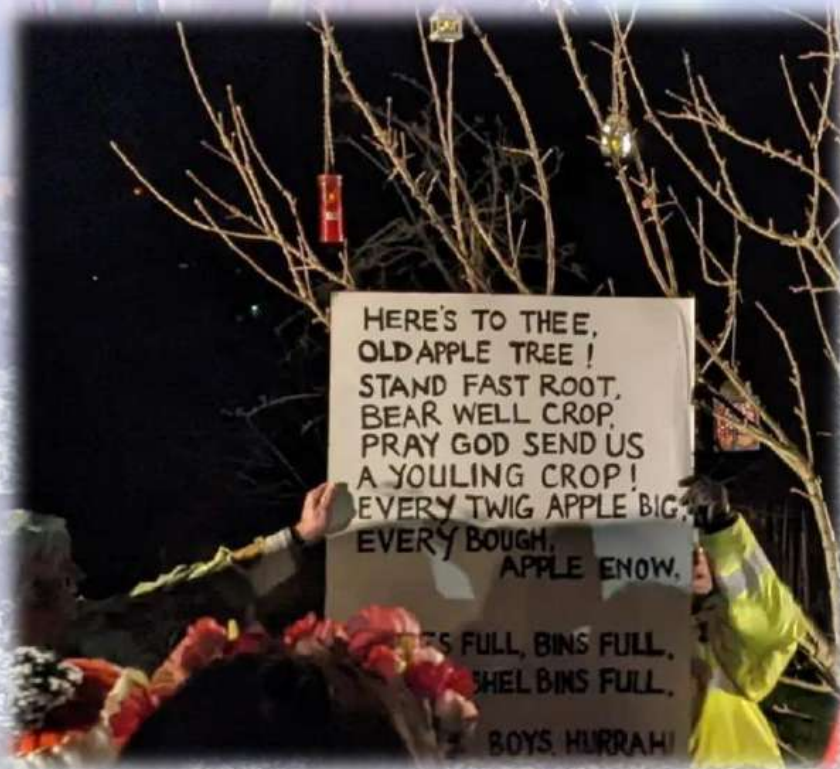

Chairman of The Helicopter Museum Trustees, Elfan Ap Rees, says “When the idea of a museum to represent the history of the helicopter was first initiated in the late 1970s, we registered the name as “The British Rotorcraft Museum and Avon Air Collection Limited”, with the idea in our minds of eventually covering the wider local aviation scene. Its taken nearly 40 years to happen and we are very grateful to the volunteers and support from local companies that enabled us to complete the project at a fraction of the cost that would normally be budgeted by most museums. We now hope the new exhibition will remind visitors and new residents to the town, of the part Weston played in the West Country’s aviation history.”

Merry Christmas to all!

Wassail 2024

We are so excited to welcome you to Hutton's annual Wassail and hope to make 2024 the best yet!

We will start the night at 15a Moorcroft Road for that first taste of the beautiful mulled cider, morris dancing and blessing of the apple trees.

We then proceed through the village (banging of pots and pans is very much encouraged to ward off all those evil spirits!) And end up at Walnut Barns where, you guessed it, more of that wonderful mulled cider to keep you warm and we bless the apple trees again.

After that, we celebrate with dancing, music, food and merriment. What more could you want?

Hutton Primary School

Year 1 – 6 Skateboarding – Year 1 to 6 were so lucky to have a Skateboard workshop on in September. The children who had never done skateboarding before, loved the chance to learn new skills, and for the ones who were seasoned pros, it was great for them to show off their skills.

Bikeability – Our Y6 children completed their Bikeability in October. Bikeability cycle training equips children with vital life skills. Pupils not only learn to cycle, they gain independence, social skills and a sense of wellbeing. It was fantastic to hear the cycling instructors commenting on the exemplary behaviour of our pupils, well done Class Six!

North Somerset Cross Country Event - A BIG well done to our group of Y5 and 6 children who represented us at the North Somerset Cross Country event at Sidcot School on in October. They were amazing, they won 3 out of 5 races and came away with lots of medals, great work!

Teddy Bears Picnic -The Reception children had a 'teddy bear's picnic' to celebrate the end of the first term in school. They prepared invitations for their parents, food for the picnic and brought their teddies in to share the fun! The children enjoyed performing the story of 'We're Going on a Bear Hunt' by Michael Rosen. Thank you to all the families who came along to the picnic!

Remembrance Day Service – The children and staff congregated outside for our lovely Remembrance Day Service today. It was really nice to see some of the children wearing their Scouting uniforms.

Shoe box Appeal – This year we once again took part in the Samaritans Shoe box appeal. We are asked families for donations of items. Mrs Amos then distributed the items into boxes and prepared them for sending. 54 boxes were collected in November and will be on their way to their final destinations very soon.

Year 6 Camp - Y6 have had an amazing time at Kilve Court, they took part in Archery, high ropes, fantasy trail, team games, stream walk and mounting biking. They have enjoyed lovely food, getting very muddy and making memories with their friends!

Outdoor Learning Y2 – this term our Year 2 go the chance to take part on outdoor learning. great time in Outdoor learning on Thursday afternoons with Mrs Drinkwater, look at their lovely faces they have made, well done Y2!

Hutton Ladies

At our meeting on October 3rd, Emma King the manager of the retail section of Weston Hospice, gave us an interesting insight into how the retail side of the organisation works. I think we were all surprised just how many Hospice Charity Shops we have in the Weston and Worle area. Emma explained how the shops were organised to ensure the maximum funds can be raised from the generous donations received.

On Wednesday 25th October, 26 of our ladies visited Rich's Cider Press Restaurant. The outing also included a tour, and as the weather was dry and bright, we were able to visit one of their cider orchards and hear how the orchards are managed, using the most environmentally friendly methods possible, including using sheep as lawn mowers and fertiliser distributors.

We saw the old machinery in the museum and heard how the process has developed over the years, but still producing the original cider we all love. We saw the journey of the apples from the orchard to the finished cider product, and everything is done on the farm, so very little food miles are involved. We saw the enormous Oak Vats and finished our tour with a welcoming tasting session before moving to the restaurant for a lovely lunch.

It was a wild, wet and windy evening for our November meeting, and it was lovely to see so many of our members turning up to support our speaker and I know they weren't disappointed. A lovely lady called Dilly came along to tell us all about 'Uncle Paul's Chilli Charity'.

The charity was the dream of Mark and his Uncle Paul, they wanted to provide a supportive environment where young people with complex needs or who have experienced social disadvantage, could develop self-belief and feel part of the community. They set up Uncle Paul's Chilli Charity in a forty acre farm of fields and woodlands near Blagdon reservoir. The young people can get involved and hands on with beekeeping, horses, pigs, lamas, ducks and chickens, learning skills and building friendships and confidence.

Dilly is responsible for making a selection of unique sauces, jams and preserves all made from chillies and produce from the farm. The production has really taken off and once again involves the youngsters who farm the produce and help in the production. We were able to sample the produce and purchase our favourites.

ST MARY'S CHURCH

Where faith and daily life grow together

Dear Friends,

December 3rd is Advent Sunday and marks the beginning of the church year. Out come the calendars (with surprise chocolate and goodies hopefully) and colourful candles and we realise that yet another Christmas will soon be here. The air is full of expectation and we busy ourselves with preparation.

Advent simply means “coming”. It’s the season when Christians remember that God came to earth to be the Christ child, Jesus. It is a time for reflection in darkness, for renewal of hope and expectation. May you have a very happy advent time

Services for December, January and February are listed below and we hope that you can come and join us in our worship

3 rd December	10.00am Holy Communion Advent Sunday
10 th December	10.00am Morning Worship
	4.00pm Evening Prayer

10th February **Pancake Coffee Morning** in the Village Hall, 10am-12.00noon
Bring your family, friends and neighbours - Relax at the start of the week-end.

LENT LUNCHESES

Ash Wednesday, 14th February is the start of Lent and we will be holding Lent Lunches once a week. The first one will be on Thursday 22nd February to be held in church from 12noon to 13.30 but, venues may vary - please see posters in the New Year

MESSY CHURCH

The Messy Church held on Saturday 11th November was a tremendous success and a large number of us had a very informative time learning of many things about Remembrance Sunday. It makes such a difference to have a good number of children and parents and this was one of those special occasions. Thank you to everyone for your support.

Our next meeting will be our Christmas Celebration on Saturday 9th December, 4.00-6pm. Our thoughts will be on the nativity, with plenty of crafty things to do and a nice tea for everyone. Please do come along and join us and see what we get up to.

St Mary's Choir

If you enjoy singing and would like to join with others, we are a lively group led by our brilliant choirmaster, Eric Holdaway. We practise a range of music, including SATB hymns for services, anthems, requests for weddings, concerts etc.

We have a good range of vocal ranges, and you would be most welcome to join our weekly practices on a Thursday evening at 6.00pm.

Want to help Hutton church - you can give at no cost to you?

Easyfundraising enables you to give when you buy online. When you buy anything a donation will be given. Scan the QR code using a QR scanner on your smartphone or tablet/ipad and you will be directed to the churches' landing page. If you can't scan the QR Code, then visit the website:

<https://www.easyfundraising.org.uk/causes/stmaryschurchhutton/>

On the landing page you just need to click the pink button "Support this Cause" and enter your details. Once you are signed up it is recommend that you download the Donation Reminder tool so it sits within your browser and then whenever you shop online it will tell you that a donation is available and you just activate it. That simple!

Winter months

Hutton is a very caring community and although we haven't had a taste of very cold weather yet, we want to make sure everyone is aware of the help that is available. The Friendship Circle, Fairtrade Coffee Shop and many other groups including the church are there for you whether it's help with some domestic issue or just someone to visit and be a listening ear and have a chat. Please ring Virginia Hollis 01934708924.

We are almost three months into our interregnum and plans are in hand for advertising for a new Rector. There are exciting, challenging times ahead but we do hope that everyone will take up this challenge. The church needs to be maintained to keep it for future generations. Do be a part of it; enjoy the comfort and peace that it offers you and be inspired by beautiful music and fellowship. The church is here for all of us – be inspired, take pleasure in what we have and pray, really pray, for growth and revival for the future community in Hutton!

We wish you all a most blessed Christmas and Happy New Year

Fundraising News

On Saturday 2nd September, we launched the first ever 'Big Bash' and it's fair to say it was quite the night! We were absolutely blown away by the response from the village and wider community who turned out to support it. We sold 400 tickets, had guests of all ages and some people travelled for hours to attend. On the night we had two live bands, two food stalls, raffle, ice cream stand, face and body painting, bouncy castle games and even a plate smashing stall. The event was part of a series of events making up Hutton's Festival Week. There really was something for everyone. It was great to see all the organisations coming together and we hope we did Hutton proud. As well as our own fundraising, we worked alongside Hutton Football Club who provided the BBQ, Hutton Village Hall Committee who took care of the car parking and we had a Mexican food van that is run by a village resident. We really worked hard to ensure the Big Bash not only provided a lot of fun for the village, but also supported our friends in other organisations and local businesses. And finally, the most important aspect to the whole night... fundraising. Whilst we of course wanted everyone to have fun, the most important outcome for us was to raise money to help continue the incredible work taking place in Dabaso. Hutton's Big Bash raised a significant amount and we really do want to say a massive thanks to all the guests that attended and gave so generously, the companies that sponsored the event, the committees and businesses that have agreed to share their proceeds and the additional donations and good will gestures we have received. Without this support, these events would not be possible, and we would not be able to raise the funds so desperately needed, so thank you to all of those who took part and made it what it was, a Big ol' Bash!

Think a village pantomime is not for you?

What sort of person comes to see Hutton Drama Club's famous annual pantomimes? Think it is not for you? - you may be surprised!

Pantomime is great at providing comedy for all ages. Over the heads of the younger ones has the adults chuckling, while the slapstick makes the kids roar with laughter.

You may think it is only for children –whereas some evenings have no children in the audience and those nights are usually the most raucous, when adults free from any inhibition of their children in earshot, join in the fun. The boo's for the baddies become the loudest of all nights.

You could be there to enjoy one of our village's great characters get in a dress and high heels to perform as Dame Dottie. You could go to enjoy the popular songs, with the fantastic Hutton trio of Eric, Jamie and Mike as the live band.

A village panto is always a great event for meeting up with other locals and becoming part of our community. Plus being at the end of January, it brightens up those dark evenings.

Or you could come along because you want to support the village hall and see it around for many more years to come.

This year's panto is the laugh a minute Sheer Luck Holmes, and when I tell you the three policemen are called Arthur, Cone and Oil –if you get the joke, this show is for you!

Whatever your reason for being there, we look forward to entertaining you. Book your tickets now and you will have the time of your life.

Oh yes you will...

Hutton Village Hall

I would like to than so many people for their support of this year.

To the volunteers who've spent countless hours rubbing down and painting the radiators, cleaning, sorting, tidying, building a website, opening & locking, building a plant & seed hut, cleaning leaves from the roof, setting clocks, making posters, replacing our broken wireless microphones, and running events to fund raise.

A huge thanks to those that have donated sums and to all that attend groups and events at the hall.

Without all of you we couldn't keep the hall running.

If you have an hour or two to spare and want to help the hall occasionally or regularly please get in touch.

Tony the Pony (Toni Schulze) and his partner Mandy did a 10,000 feet sky dive to raise money. They have donated the sum of £565 to Hutton Village Hall and another £565 to Hutton in Bloom Awesome. Thank you.

Apparently they'll be another jump with the Old Inns Deano early next year!

Friendship Circle

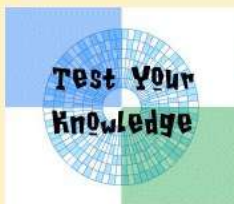

Where would we be without volunteers? They are persons who freely offer to take part in an enterprise or undertake a task.

Volunteering is a voluntary act of an individual or group freely giving time and labour, often for community service. They have a feeling of fellowship with others, as a result of sharing common interests and goals.

We are very lucky in Hutton to have a group of volunteers who enable the community of Hutton to join the Hutton Friendship Circle, if they so wish. This group meet two Monday afternoons a month, for a cup of tea or coffee and a biscuit with often some form of entertainment, be it a speaker, bingo, quiz choirs and singers. At the end of the month there is a coffee morning where members get the chance for a chat, buy a raffle ticket or there is a sales table with a variety of books and other goods at very reasonable prices. It is a nonprofit group who often make donations to worthy causes. There is a small membership fee which covers the cost of the Monday afternoons refreshments.

Outings by coach and group holidays are arranged at reasonable costs and special lunches i.e. strawberry tea and Christmas lunch again all arranged by volunteers. We need to say a huge thankyou to these volunteers and ask **would** you or **could** you become one of this special group of people who give freely of their time, just a few hours a week, to keep this amazing community facility helping to support the village hall for other groups, going forward into the future? Now is the time to offer your help and we would be very grateful if you feel you could **volunteer**.

PROFESSIONAL | EFFICIENT | AFFORDABLE

I would like to thank everyone for their support of
the **Macmillan Coffee Morning**.

Also, a big shout out to all who helped on the day.

The grand total raised was **£524.45**.

Over the past 25 plus years we have raised over
£8,200 for this wonderful charity.

A great achievement for a small village.

Many thanks once again.
