Public Participation

Prior to the commencement of the Meeting the Chairman permitted members of the public who had not sought previous permission from the Parish Clerk to speak. 6 parishioners attended the meeting to express their long held and continuing concern at the speed of traffic, danger points and lack of speed improvement and new concerns regarding the new road layout near Sutherland Drive, including its potential for causing hold ups and delays. Mrs Chitty led and stated that she had in 2022, along with others, met with the Parish Council and North Somerset Council (NSC) to discuss required road safety measures in the village. She was disappointed to note that the agreements made in 2022 had been completely ignored.

At the meeting, the Parish Council pointed out the following:

- During the 2023 NSC design stage of the 20MPH scheme, the east and west extension of the proposed scheme, which was requested by both our District Cllrs and the Parish Council, was not approved by NSC, as it did not meet the NSC 20MPH criteria, national guidance or local policy.
- The Parish Council has been hastening NSC for the completion of the 20MPH Gateway's (Entry Treatments) since the Hutton Hill road was reopened in Jul 25, as this was felt to be crucial to the enforcement of the 20MPH scheme.
- The priority was the full opening of the 20 MPH scheme and after that, Cllrs would explore what other speed reduction measures could be put into place.
- The Parish Council is now exploring the purchase of electronic speed awareness signs.
- Our District Cllrs and Parish Council are now in discussion with NSC regarding proposed changes to alleviate traffic issues near the School entrance. A meeting is due to be held with the School.
- Once the NSC designed 20MPH Gateway's (Entry Treatments) are complete, Cllrs will ask for enforcement with speed checks by the Police and Hutton Community Speed Watch.
- Prior to the Parish Council Meeting, the Clerk and Cllrs and only received one written complaint and that this was passed on ASAP to NSC - Neighbourhood Traffic and Road Safety.
- A Parish Council 20MPH Scheme update was to be placed on the Parish Council social media, web site and notice board within the next couple of days.
- The Parish Council had been informed that feedback to NSC - Neighbourhood Traffic and Road Safety on the new road layout and markings can be made direct to NSC online and that this would be in the 20MPH Scheme update.

Mrs Chitty and the accompanying residents were warmly thanked for their presentations and then departed from the meeting.

MINUTES

Minutes of the Parish Council Meeting held in The Legion Room of Hutton Village Hall on Monday 2nd March 2026 commencing at 7.00pm

PRESENT Cllr Peter Dutton (Chairman) supported by Cllrs M Dunkley L Eddins N Max A Sills T Porter plus Mr B Poole Parish Clerk and by invitation Mrs S Hooker.

Retrospectively approved

25.119. Working Groups Reports

(a) Scout Hut

Following the recent Scout Hut User Group Meeting, the agreed tidy up had been completed as well as the long-awaited improved wheelchair access. It was noted that agreement had been given for some additional improvements for the wheelchair access to the patio. The £7,525 quoted for the roof repairs was agreed and the quote for the floor was to be refreshed.

(b) Open Space

Agreed the loan of the small marquee to the football club. Due to the nesting legislation now in place the proposed clearing of the pond would have to be delayed.

The Playground weekly inspections were now operating by Cllr Max (Springwood) and Cllr Eddins (Elmhurst).

The Specialist Quarterly Operational Playground Reports had been received and will now be reviewed by Cllrs and any identified work to be costed and carried out.

(c) Hutton in Bloom

Cllr Porter read to the meeting the recent report received from the Group.

(d) Communications

It was unanimously agreed that the latest 50th Anniversary Edition of the Hutton Parish News was another excellent edition, with the Council's thanks to be passed to the Editor.

25.120. Correspondence
