

HUTTON COMMUNITY SHOP

Public Meeting

HUTTON VILLAGE HALL

Tuesday, 20th May
7:15pm

- *The idea of a village shop started with a small group of friends, who met to discuss the idea*
- *We looked at what might be possible, and a survey was put in the Hutton Parish News to gather people's thoughts*
- *Our vision was a community shop, run by volunteers in the community, for the benefit of the community, and for it to become a village hub.*
- *We now need to know what support is in the village to help setup and run a shop.*
- *Please come along and share your views.*
