Parish Council News

Parish Council Summer Recess

During the month of August, the Parish Council was in recess and did not meet. Routine and priority business continued outside of council meetings by the Locum Clerk to the Council, Parish Councillors, Handypersons, Orderlies and Contractors. Work to organise the Hutton Parish Festival Week continued at pace throughout the month. Parish Council meetings resumed in September.

Parish Council Vacancy – Co-Option to the Parish Council

Following the local council elections last May, Hutton Parish Council still have **one vacancy** and is now taking steps to fill the vacancy by the co-option of a suitable person. Any eligible interested persons are now invited to apply for co-option to the Parish Council as a Councillor. Further information can be obtained from the Locum Clerk to the Council – Mr Bruce Poole, the Parish Council web site - www.huttonsomerset.org.uk, Parish Council Notice Board and Facebook Page.

Elmhurst Play Area Refurbishment

With Phase 2 of the Elmhurst Play Area refurbishment now complete, the Parish Council successfully secured additional National Lottery funding for the third and hopefully final phase of the Elmhurst Play Area refurbishment. It is hoped that this will be completed in late 2023 or early 2024.

Bus Service Changes - New Number 10 Bus Service for Hutton

The Parish Council has been advised by North Somerset Council that a new **Number 10 Bus Service for Hutton-Weston-super-Mare (via Weston General Hospital)** has been introduced and revised timetables are being prepared.

It will operate Monday to Friday, every week **even when schools are closed, the only exception is Bank holidays.**

A link to a copy of the current Number 10 Bus Service Timetable can be found on the Hutton Parish Council Website – www.huttonsomerset.org.uk

A link to the North Somerset Council website is here - [Bus services and timetables | North Somerset Council \(n-somerset.gov.uk\)](http://www.n-somerset.gov.uk)

Whilst the new Number 10 Bus Service is a reduced service and will not be perfect for everyone, the Parish Council would like to thank North Somerset Council for their efforts to ensure that Hutton did retain a bus service (following the withdrawal of the previous No 50 route) **after all other options had failed.**

I repeat my message which I first placed in the Hutton Parish News in April 2022 – the Parish Council urge you to use this new Bus Service if you are able to do so or risk losing it in the future if there is low uptake and low passenger numbers.

Hutton Parish Festival Week 2023

Hutton Parish Festival Week successfully took place in St Marys Field from 30th Aug – 3rd Sep, comprising of:

The Taste of Somerset Market

Classic Vehicle Show.

Charity Quiz Night.

Hutton Horticultural Society Annual Show.

Hutton-Dabaso Twinning Association – “Hutton Big Bash.”

United Benefice Songs of Praise.

Hutton Proms Concert featuring Weston Brass and local soloists.

During the events, funds were raised for local charities and organisations, which included:

Hutton Village Hall.

St Mary’s Church.

Hutton-Dabaso Twinning Association.

The nominated charity for this Year’s Taste of Somerset Market was **Hutton Village Hall and a total of £462** was collected by donations from the market stall holders.

A change this year was the introduction of the availability to purchase at the bar, special commemorative **reusable** mugs. The supply of alternative reusable mugs has been introduced to **reduce the impact of single use plastic AND to help ensure that Hutton Parish Festival Week complies with future Government legislation, because the Government has announced a ban on a wide range of plastic items that is expected to come into effect from 1 October 2023**

None of the festival week events could have taken place without the careful planning, time-consuming hard work, enthusiasm, commitment and assistance of the following:

Hutton Parish Councillors.

Hutton Horticultural Society.

St Mary's Church.

Hutton-Dabaso Twinning Association.

Scout Hut tea and coffee organizers

Bar staff.

First Aiders.

Car Parking Marshals and Stewards.

Volunteers who give up their time to help and support.

Stall holders.

Traders.

Contractors.

Local musicians.

Local soloists.

Weston Brass.

Exhibitors.

Classic vehicle owners.

A big thank you to you all!

Help is always required with a variety of activities to support the Hutton Parish Festival Week. If you would like to volunteer to help and support future **Hutton Parish Festival Week events** or are just interested and would like to know more, please contact myself. My contact details can be found at page 2 of this edition.

A big thank you also to all those who attended and supported the festival events and for supporting your *local charities, organisations and your festival week.*

Final Thoughts

We hope you enjoyed all the Hutton Parish Festival Week activities and appreciate the changes made this year and we very much look forward to seeing you all again next year!

At our meeting on 4th July, we were delighted to welcome Lorraine Stanley, who gave us a really interesting insight into Metal Detecting and Local History.

Lorraine, who volunteers at the Weston museum, started her metal detecting in 1990, and brought along a variety of items that she has unearthed over the years. The exhibits covered a vast period of history, especially interesting as they were all discovered locally.

The exhibits included coins, medieval pottery, stone-age flints, bronze pins, buttons and jewellery, all sadly lost by their owners but fortunately found hundreds of years later, giving us a glimpse into our ancestors lives

Lorraine kindly let us look at and handle the exhibits, and answered our questions, however she pointed out that permission of the landowner must be obtained before undertaking any search.

Who would think so much history is right under our feet, and just imagine, that memory stick, mobile phone or acrylic nail that you have lost, may be exhibited to a similar group of interested people in hundreds of years time.

Sue Badger was our speaker on 1st August, she enlightened us on the services offered by the North Somerset Village Agent. Sue is one of 3 Village Agents covering North Somerset Area and she covers Hutton, Bleadon, Uphill, Banwell, Winscombe, Locking, Loxton and Sandford. They are part of Somerset's 'Community Connect' service, which is free for people over 50.

I think we were all surprised at how much help and support is available if you know where to look for it. The service offers a free, confidential service, aimed at elevating rural social isolation. One area Sue highlighted that often required assistance is completing forms, especially when applying for attendance allowance. For help and information on finance, heating, health, housing, just to name a few, contact Sue Badger on 07974 983 042, for more information or to email Sue, go to wren.org.uk

At our meeting on 5th September, we welcomed David Skidmore, who gave us a really interesting insight to the history of the Slidmore family and their journey from Milton-under-Wychwood in the Cotswolds, to Abertillery in South Wales, ending up with the beautiful shop we all know in Worle.

World War One played a big part in bringing the Skidmore family to this area.

David's grandfather, Stanley, was injured and sent to a war hospital in Fishponds and then on to convalesce in Ashcombe House in Weston Super Mare. He remained here, building the business from general store and sweet shop, progressing to the shop we know and love today.

In 2019 the family celebrated 100 years of business, David had put together a lovely presentation showing how the family and business has evolved over the years.

As independent shops are a rarity these days, let's support these shops and hopefully keep them running for the next 100 years.

Friendship Circle

July 10th saw our members enjoying the talk about the canals of Somerset with questions afterwards.

July 24th was a talk about the wonders of the Galapagos Islands and the richness of the flora and fauna found there. This was a different presentation as it was given by both of the couple.

On July 29th once again our end of the month coffee morning, gave an opportunity for members to catch up with each other over a drink and biscuits. Mr & Mrs A Monkman and Mr & Mrs P Wilson in charge in the kitchen. Our thanks go to them for their work. Coffee Mornings are always enjoyed by our members with tables laid out so prettily and flowers arranged by Mrs J Bishop. There is also a table selling books, jigsaws and trinkets, over seen by Mrs R Sanger. The raffle is taken care of by Mrs P Gould. Some people can be very lucky!

The day trip to Sidmouth on 9th August was a great success, 42 members enjoyed fine weather all day.

A man called Howard (alias Jacko) came all the way from the valleys of Wales on 14th August to entertain us with songs, which members joined in with, and good humour. Light entertainment indeed!

There was no meeting on Monday 28th August as it was a Bank Holiday.

August 29th and a small group from Friendship prepared the stall, as seen in the picture, in preparation for The Taste of Somerset taking place on the following day.

The Taste of Somerset on Wednesday 30th August was a hive of activity arranging the stall in preparation for the opening time of 11 am.

Mrs sanger had arranged a program of helpers to operate the stall at various times, this worked well thank you to all who contributed. The chairman was enjoying his time helping on the stall so much that he stayed all day! The cost of having the stall was a donation of £20 which was collected during the day. The profit from the Friendship Circle stall was £243, which was raised for the Help Our Hall campaign.

Dec 1st Will be when some members are going on a Turkey and Tinsel holiday to Torquay organised by Mrs J Bishop. Lucky people.

I do hope that you have found our recent activities attractive and that you may join our membership. There are loads of fun to be had for a fee of just £12.
